

Cottage Country Net Preamble

Good evening from the Peterborough Amateur Radio Club, this is the Cottage Country Net on the PARC Repeater Network. This net takes place during the cottage season Saturday's at 9PM local time. The net control operator for this evening is [your callsign](#), my name is [your name](#) and I am located in [your QTH](#). We would like to say hello to any SWLs out there listening and all amateurs whether you are a member of the Peterborough Amateur Radio Club or not are invited to participate in activities of this net.

Please stand by [\(stop transmission for a second to reset the timeout on the repeater\)](#)

Before we begin is there any emergency traffic for the network?

This is the Cottage Country Net calling for check-ins from mobile stations. Any mobiles please check in now.

This is the Cottage Country Net calling for check-ins from base stations, that is any base stations within the range of our repeater network please check-in now.

This is the Cottage Country Net calling for check-ins from any remote stations that's any stations coming in via Echolink or Allstar please check-in now.

Is there any late check-ins or any stations I have missed please check-in now.

[\(The net will now have a round robin discussion, call the operators in by callsigns in the order which they checked in. There will be two rounds each time you get to the end of the list ask for check-ins again by saying:\)](#)

This is the Peterborough Amateur Radio Club's Cottage Country Net. We are at the bottom of our list, and looking for more check-ins.

[\(After the second round, close the net with:\)](#)

Thank you on behalf of the Peterborough Amateur Radio Club for joining us this evening, this concludes the Cottage Country Net, and we will now return the repeater network to normal use good night.
